

# T0 Bibliography (T0 Bibliography)

Johann Pascher

2025

## Abstract

This document is part of the T0 Theory Collection.

## Abstract

This document contains the complete bibliography of the T0 Time-Mass Duality framework, including foundational documents, mathematical foundations, particle physics applications, cosmology, and quantum mechanics developments.

## 1 Introduction

The T0 Framework represents a comprehensive approach to theoretical physics, unifying concepts of time-mass duality through mathematical consistency and empirical validation.
